Closer point of view is biased.

• Pakistan

The Government has just released a list of 303 Class I gazetted officers who have been placed under suspension and who will be proceeded against under Martial Law Regulation 58.

1971 war: Witness to history

Leaders Dominate Parties From 1947 to 1971 in all of the political parties of Pakistan, the authority concentrated on single leader.

A Factor in East Pakistan's Separation: Political Parties or Leadership.

League legislators of the central and provincial legislatures from all over India journeyed in triumph to Delhi to take part in its proceedings held in a boisterous mood with the final session not ending until 2am. Why do people do that? Baluchistan Balochistan encompasses a large portion of southwest Pakistan to the west of the Indus River.

The Struggle for Pakistan — tumultuous but eventful

In Sind, too, the party has bagged over 66 per cent of 27 seats. The transport system came to a standstill. Riots broke out at such times as during Holi festival, when sacred cows were slaughtered, or when Hindu religious music was played in front of mosques at prayer time.

Pakistan's break

Since 1995, when the historian Ayesha Jalal's pathbreaking and controversial book *Democracy and Authoritarianism in South Asia* was published, there has been no serious study comparing the political trajectories of India and Pakistan. The new generation wonders why East Pakistan and West Pakistan were created in 1947, with the distance of almost 1000 km.

The Bloody Legacy of Indian Partition

Qamar Faruqi You are correct that India did not do it for love of Bengalis, but you are incorrect on the rest of your statement.
