The parts of Germany I liked were Roman Catholic and for the most part I far preferred Austria over anything I encountered in Germany.

Dilemmas of Modernity: Bolivian Encounters with Law and Liberalism

This book looks at the progress of key rights issues confronting Australia's indigenous peoples, including historical civil rights milestones; land rights and native title; Reconciliation and the apology to the Stolen Generations; indigenous governance and self-determination; and constitutional recognition. So they fought a hopeless battle to preserve their way of life.

Study

He also writes regularly for The Boston Review. In *Dilemmas of Modernity*, Mark Goodale argues that, contrary to the common perception that epochal shifts have occurred in Bolivia with the advent of neoliberalism in the 1980s and the election of Evo Morales in 2005, liberalism has in fact remained a consistent, central organizing in Bolivian society since Independence in 1825. .
