## Imam Sir Sultan Muhammad Shah, a notable visionary and statesman

Following our recent series of articles on Aga Khan III, Simerg is delighted to offer a rare complete set of the translations that were published in western languages as part of its Collection series. Over and over, the stars, sun, moon, earthquakes, fruits of the earth and trees are mentioned as the signs of Divine power, Divine law and Divine order. Initially Mohammad Ali Jinnah was non-communal but after Calcutta Congress Session much importance was not given to him and the viewpoint of Muslims.

## The Concept of God in the Teachings of Imam Sultan Muhammad Shah Aga Khan III

Later, in 1906 he was one of the The Memoirs of Aga Khan: World Enough and Time by Aga Khan: W Somerset Maugham the famous British writer has written a foreword for this autobiography of Sir Sultan Mahomed Shah Aga Khan. He emerged as a political leader of Indian Muslims. I have not discussed experience of this order with non-Muslims, but I have been told that Buddhists, Brahmins, Zoroastrians and Christians — I have not often heard of Jews, except perhaps Spinoza — have also attained this direct, mystical vision.
