Russian Military Spending

This is particularly true for the Baltic states and Poland, which share a common border with Russia and Belarus, respectively. All this amounts to more than just a footnote for Kremlinologists. For Military Glory sovfoto Getty Images A year later, Korolev needed to go full speed ahead with the satellite development, so he stressed the potential military importance of the satellite.

Russia's opposition leader Alexei Navalny accuses Vladimir Putin of being behind poisoning

Sovetskaya Rossiya was first published on July 1, 1956. How can we live with nothing in our dvor? The National Association of TV and Radio Broadcasters gathers broadcast publishers.

Russia's Half

In September 2014 the agency regained its former name as Russian News Agency TASS. Facing starvation in the cities and the death of industry as peasant-workers returned to their villages, the Soviet state resorted to the use of force to obtain necessary grain to maintain its urban economy.

How World War II shaped modern Russia

Newspapers are the second most popular media in Russia, after television.
