## Community of Christ

Sacraments are considered metaphorical acts designed to create and renew a person's spiritual relationship with God. The church translates resources into , , , , , , , , and.

## Christ divided: liberalism, ecumenism and race in South Africa

Man is thus reduced to a series of social relationships, and the concept of the person as the autonomous subject of moral decision disappears, the very subject whose decisions build the social order.

## Christ Divided: Liberalism, Ecumenism and Race in South Africa by David Thomas (Paperback, 2002) for sale online

I became a ninth-grade dropout and later, a teenaged wife and mother. Theologies of liberation have developed in other parts of the world such as in the United States and South Africa, , in India and in South Korea. Gardner became the church's first female.

## The Ecumenical Movement

One key factor is an often-extreme level of financial dependence on international partners.
