During the expedition, they have to deal with some cases of environmental issues caused by both natural factors and ignorant humans. This is an interesting book historically and for its insight into Buddhist worship in medieval Japan, which makes up for the dryness of the plays themselves. This is also a story about baking.

But a chance meeting leads to a secret friendship—one that will test Brida's resolve and Michael's loyalties. May I ask if the young lady still has parents? It developed in the 14th and 15th centuries and has its own musical instruments and performance techniques, which were often handed down from father to son.
