times. We'll know in the next day or so what our total plan is for the rest of the week.

## New tasks will help Detroit Tigers' George Lombard develop

He's individualized all of this, from the throwing program to the bullpen schedule to the rest periods. I don't want to play him here on the turf. But I'm excited to see how the pitch usage change can help our pitchers.

## New Tigers Consulting Limited

It's not as simple as just saying, "Throw strikes.

## Advocacy, activism part of new Tigers coach George Lombard's DNA

That's going to be the baseline of what we do.
