### Bediüzzaman Said Nursi & Risale

However, he soon noticed that leaders of the resistance movement actually wanted to do away with religion in the new political situation that they were fighting to establish. This was also my perfect opportunity to personally discuss with Zubeyir Gunduzalp my burning desire to take Risale-I Nur to America. In simple terms, there needs to be a chief to run the time machine.

### Bediuzzaman Said Nursi: Author of the Risale

The failure to practise it in previous centuries had led to despotism and the exploitation of learning in the medreses, and The teaching being undertaken by those not qualified to do so.

### Who is Bediuzzaman Said Nursi?

Firstly state officials who are prepared to adapt to the new regime must be treated with respect and their experience must be

benefited from.

## Bediüzzaman Said Nursi

### Important Information and Presentation:

Our book is free. While Nursi played no part in this rebellion, and in fact disapproved of it, he was exiled to Istanbul in 1925 on the grounds that he had been involved. Within twenty-four hours, therefore, Molla Said memorized a geography book he was able to obtain, and when they again met, silenced the geography teacher in his own subject.

## Said Nursi

Many of the new officers were inexperienced, and the CUP supporters from among them mocked the religion of Islam and tried to prevent the ordinary soldiers carrying out their religious duties. It was in Salonica, a place open to diverse influences, that a group of officers together with a number of others, founded a revolutionary secret society in 1906. Her continued help in the Risale-i Nur service for exactly a quarter of a century is tremendously appreciated, needed and irreplaceable.

## Spiritual Dimensions of Bediüzzaman Said Nursi's Risale

Just as the Caliph possesses moral power, so too will he have material power, and guarantee and be responsible for all the dealings of the Muslim community in every corner of the world. This book involves a Christian theologian in deep conversation with a Muslim theologian.
