For her own good (1979 edition)

Barbara Ehrenreich and Dierdre English!! She worked her way through the University of California at Los Angeles, graduating debt-free, with honors, in three years.

Woman tells court of waking in bed to find burglar's hand on her throat

These biases are still well and thriving in the medical industry today. In 1899, Walker, then 35, became its top executive, a position she held until her death.

These Women Have Been Breaking Barriers in Business for 150 Years

I do research in male dominated field, and of course I have encountered problems due to being a woman. The book includes sections on medicine, female health and sickness, homemaking, and child-rearing, each one meticulously researched and extensively annotated. Women are entering the medical and scientific professions in greater n First published in 1978, this classic history, now revised and updated, brilliantly exposes the constraints imposed on women in the name of science.

21 Truths About People Who Don't Have Children

From being a symbolic act of submission, sex had become a pleasurable commodity that women as well as men had a right to demand. In the struggle for women's equality, there is one subject still shrouded in silence - women's compulsive pursuit of beauty. It is still too common that for example endometriosis sufferer in extreme pain visits a gyn only to be told that it is all in her head.

For Her Own Good: 150 Years of the Experts' Advice to Women

It hit young Jane Addams-the famous social reformer-at the same time of life.

Deirdre English

I could not read nor write nor paint nor sew nor talk nor listen to talking, nor anything. Just cut it into thin slices and into the oven with olive oil, salt and pepper. She got one in 1932 at the Reconstruction Finance Corp.
