## Second French Empire

There is an ornate bracketed along the eave side of the roof, complete with a scalloped.

## France

See below for a detail of this slate. Most notable, of course, is the roof line.

## Second Mexican Empire

Few French or foreign observers anticipated the military disaster that followed. The crapaud or toad armchair was low, with a thickly padded back and arms, and a fringe that hid the legs of the chair. Napoleon III and Eugenie 1980 full-scale popular biography.

## Second Empire

He was scornful of the new school of painters led by. It concentrated virtually all governing power in his hands.

## Second Empire

Fill 1 Created with Sketch.

## Second British Empire

Fill 1 Created with Sketch. Bay windows were often used as an architectural feature on a facade that accommodated an abundance of ornamentation. The doors are also glass, which suggests that they are not original either.
