His most recent film, 2016, seeks to uncover the interconnected histories of Chinese Canadian and First Nations in British Columbia, through the story of the Grant family of Musqueam. In the film, an economically struggling couple wins the housing lottery and decides to buy a house in the suburbs rather than an apartment in Seoul. So the pressing matter of improving living conditions for ordinary South Koreans took a backseat to national economic projects.

Yi Ki

In a flashback, he remembers the day he first moved into the complex, his entire family and their life possessions in tow.

By making itself the arbiter and protector of cultural heritage, the state positioned itself as the medium for evoking all things Korean in the minds and hearts of the masses. The Asian Library joined forces with UBC Alumni to successfully launch two Asian-language book clubs this fall! Interviewees agreed that kye played a crucial role in allowing them to wisely deal with crucial financial moments such as purchasing homes and swiftly reacting to urgent financial needs.
