NAVPERS Collection : Free Texts : Free Download, Borrow and Streaming : Internet Archive

Did some testing and Service Tech and I believe it is a controller problem.

3 Phase Wiring for Dummies

. We expect that you will understand our compulsion in these books. Textured green covers with two spiral bindings folded over--one side features the text 308 pages and other side features accompanying illustrations 243 pages.

Preventive maintenance of motors and controls

So I opened up the battery case and found the fuse holder was melted and both connectors in the fuse holder were black and the spring inside melted. Regardless of internal or external, ANY alternator can be modified to work as a motor! You might spend some time in this direction yourself. In conclusion, there is a section on the maintenance of hydraulic equipment with special emphasis on trouble shooting.
