Chauvet cave's gasp-inducing life-like drawing of a pride of lions dates to approximately 32,000 years ago. As an entrepreneur, the road to what society calls success is not a straight one.

Top 10 Inventions in Ancient Human History

Cambridge; New York: Cambridge University Press. Proceedings of the National Academy of Sciences.

The Modern Man is Another PUA Website That Will Make You Want to Quit The Internet Forever

People do not need these explicit instructions to enforce gender roles that are just already so harmful.

Homo sapiens

The main source of knowledge about the evolutionary process has traditionally been the fossil record, but since the development of genetics beginning in the 1970s, DNA analysis has come to occupy a place of comparable importance. I need to get better with women, I need to be more confident and interesting. A recently published date for this skull was about 195,000 years old, but this is disputed.
