### Doulton and Co

Henry was to be the driving force behind a number of innovations which made the name of Doulton world famous. The picture of the rear of Peter House and Tommy Ducks is much later than 1967. The major difference made by the time gap, though, is that AstroTurf has turned the corner from the old, rough knitted surfaces it produced 40 years ago.

### Bibliography

He also personally supervised the colorization of three films, two of them in partial tribute to their producer, who had supervised King Kong, the film that inspired him as a young man: 1932, 1935, and the non-Cooper film 1936.

### How It's Made: AstroTurf in Dalton, Georgia Still the Leader in Artificial Athletic Surfaces

By 1972, Dalton and his wife became more occupied with their house in, potentially explaining why the pamphleteering came to an ambiguous halt.

### John Dalton at Pride Of Manchester

Brisbane, Australia: University of Queensland. The photograph shows the extensive clearance of the area that took place in readiness for its wholesale redevelopment in the late 1960s and early 70s.
