Who Really Wrote the Gospels?

Instead, says Baden, they see a much more gradual process, in which material from numerous smaller sources was layered together over a longer period of time. The—including using the same wording to describe the same events in the same general order—have led most scholars to believe the author of Matthew used the Gospel of Mark as a source.

How Do We Know Who Wrote the Gospels in the New Testament?

This new research is not only questioning some of the modern scholarship but also supporting the traditional authorship. I will let you draw your own conclusions about why those standards exist. And a big example of this is when it comes to the debate authorship of the gospels.

Who actually wrote the Gospels?

Jesuit Father Jose O'Callaghan, studying fragments of the Gospel of Mark and using paleographic means, dated them at 50, again indicating an eyewitness author. If the Gospels had been anonymous at first and their authorship had been fabricated later, the same Gospel would almost certainly have been ascribed to different authors in different regions. Nevertheless, tradition does link the saints to their gospels.
