Bears signature: In our opinion, the signature on the artwork may be spurious. He studied design at the Manchester School of Art and art at the Slade School of Art. Prospective buyers should inspect each lot to satisfy themselves as to condition and must understand that any statement made by Sotheby's is merely a subjective, qualified opinion.

## Sir Matthew Smith

The youngest of four sons of Algernon Heber-Percy, of Hodnet Hall, Shropshire, Robert pursued the traditional sports of the country gentleman. I would draw and make pictures but ultimately I decided against art school and studied English Literature at university.
