A national society for the protection of natural scenery, the preservation of historic landmarks and the improvement of cities. Epstein's work in Kensington Gardens is so far from being the object of admiration that, were not the English a tolerant people, it would have long ago been broken into pieces. From Jacques Villon, Acheux, France, April 13, 1915: glad to learn that his paintings and engravings have sold; is looking forward to returning to normal life and working with greater intensity; being welcomed in New York should boost his self-confidence and provide some peace of mind regarding financial security; the matter of Dr.
