## Three Basic Principles of Utilitarianism

It is also the reason why utilitarianism is very far removed from any kind of. We do not call anything wrong unless we mean to imply that a person ought to be punished in some way or other for doing it—if not by law, by the opinion of his fellow creatures; if not by opinion, by the reproaches of his own conscience. U II 6 Green thinks that the dignity passage undermines hedonism Prolegomena §§164—66, 171.

## Three Basic Principles of Utilitarianism

To have a right, then, is, I conceive, to have something which society ought to defend me in the possession of. The moral that Mill draws is that equal rights should prevail in the absence of any good evidence about the way in which natural assets and potential capacities are distributed by gender.

## Three Basic Principles of Utilitarianism

Indeed, HP1 is a proper part of HP2. Mill thinks that the state can and should require parents to provide schooling for their children, ensuring that this kind of education is available to all, regardless of financial circumstances, by subsidizing the costs of education for the poor so that it is available free or at a nominal cost. We might call these autonomy-enhancing forms of paternalism.

## Utilitarianism and the New Liberalism by D. Weinstein, Paperback

As we noted earlier, Mill does not defend representative democracy as ideal under all historical and social circumstances.

## Utilitarianism as Liberalism?

The triumph of conceptual analysis caused American political theorists to lose interest in the history of political thought except as a way of certifying their current theoretical positions.

### **Utilitarianism as Liberalism?**

The second reason for permitting individuals to engage in experiments in living is that it is a form of social experimentation by which we collectively gather the data necessary to help us determine what generally is conducive to human happiness.

### **Utilitarianism as Liberalism?**

People can and do have mistaken desires about what is good. For every distinct pleasure and pain, we must calculate its intensity and its duration. Mill does not say that the preference of competent judges is for one kind of contentment over another or that Socrates has more contentment than the pig or fool by virtue of enjoying a different kind of contentment.
