The original goal was to have the design prominently feature the beauty of the natural desert vistas, and this is something it has managed to maintain even to this day. Ducey, a Trump supporter, reversed himself last week and allowed cities and counties to require people to wear masks in public places. Now, the opposite is true.

ASCYPAA

Recent measures by the government seek to secure jobs and housing, extend protections to domestic workers and introduce a new national minimum income scheme to support 850,000 vulnerable families.

More younger people getting COVID

In particular, we found the following areas the 15 best places to live in Arizona, based on the three aforementioned factors cost of living, public schools, job opportunities , in addition to crime rate and local amenities.

The 4 Best Places to Live in Arizona (2020)

The state reported a new daily record of nearly 3,600 additional coronavirus cases Tuesday as Arizona continued to set records for the number of people hospitalized, in intensive care and on ventilators for COVID-19. That could be because more cases are among people with less risk for severe symptoms.
