Creative Ideas for Lent — A Sanctified Art

Worship We were created expressly to worship God, and here in the Worship category, you'll find holiday favorites and original music from Life.

You will need to check each song to make sure that it is covered by the Podcast license, however. For example, the spring Passover feast included lamb to represent the Passover Lamb slain that they might live, and unleavened bread signifying the haste with which the people fled Egypt.

Why do Christians worship on Sunday?

Activities include prayer, singing, Bible stories, teaching of musical skills, rehearsals of secular and sacred song, sports, crafts, performance time, and orchestra rehearsals. They have a responsibility to work within the parameters you set, but ultimately, they will shine when given ownership over some of the creative expression.
