Evaluation Detail

He currently leads IFAD's Sub-Regional Hub office for the Mekong region, based in Hanoi, Vietnam. The NAP-Ag Programme is a joint effort led by the United Nations Development Programme UNDP and the Food and Agriculture Organization of the United Nations FAO to support countries to integrate and address climate change concerns as they affect agricultural sector-based livelihoods in national and sectoral planning and budgeting processes. In January 2019, he took up the full-time position of UN Resident Coordinator, representing the UN Secretary-General in Viet Nam.

Speech by the Minister of Environment, Natural Resources Conservation and Tourism Honorable Ms Philda Kereng on the Occasion of the Launch of Environmental Projects

A total of over P12 million has been allocated for implementation of SGP, Operational Phase 7.

Environment, climate change and disasters

By addressing these interrelated issues in a participatory manner, the prospect of inclusive development and peacebuilding objectives being achieved through investments in green economic recovery is high. The project currently supports the Department of Wildlife and National Parks to review protected areas fees and develop sustainable resource mobilisation strategy. Project 2020 2019 Completed Yes 7.

Our Team

Tag: Efficiency Operational Efficiency Capacity Building 29. The UNDP Cotabato Office, in coordination with the leadership of the MILF, shall facilitate inception meetings and endorsement of the consultant to local stakeholders.
