Taking her title from an ancient Greek belief that women's health problems were caused by a wandering uterus that needed to be confined and controlled, Meyer exposes the way in which myths and prejudice about female sexuality continue to influence the practice of law and medicine today. The Wandering Uterus fills that gap. Get The Wandering Uterus: Politics and the Reproductive Rights of Women By Cheryl L.

Wandering Uterus: Politics and the Reproductive Rights of by Cheryl L. Meyer

While a great deal has been written on such issues as abortion and postpartum depression, no single volume has offered a broad discussion of the interface between the legal, medical, and political aspects of women's reproduction in a manner accessible and informative to non-specialists. Weir Mitchell, a prominent Philadelphia physician, was one of them.

The Wandering Uterus : Politics and the Reproductive Rights of Women. (eBook, 1997) [tech.radiozamanah.com]

Aware that she would probably not carry the baby to term, Angela agreed to allow physicians to perform a cesarean section after the twenty-eighth week of her pregnancy, when the fetus might be viable, even though the surgery was likely to hasten her.
