**Sŏng**

. . Thus, conservative state censorship should be challenged by liberal individual rights to pornography and further by the value of moral harm.

**Sŏng**

Implications for future research are discussed. .

**Search results for `Ui**

The survey data were analyzed using partial least squares. We conclude by noting that recent writings on wild animal welfare should be revised based on this correction to have a somewhat less pessimistic view of nature.

**Sŏng**

However, rational choice requires weighting all welfare values by the respective probabilities of realization.
