NYC mom injured in subway mugging has died: sources

NYPD The 68-year-old suffered a broken wrist and nose in the beatdown, the NYPD said in a. The footage, which spread over social media after it was obtained by local outlet Reporte San Luis, shows the accused mugger at the home, sitting in the front passenger seat of a car moments after Claudia Puliafito and her driver, Nestor Espinoza, were shot outside the warehouse in San Luis.

NYPD releases video of brutal beatdown, mugging in NYC

The Brooklyn mom who during an attempted robbery at a Manhattan subway station earlier this month has died, police sources told The Post. According to news channel Todo Noticias, authorities are investigating whether someone else may have been involved and provided the assailants with the date and time Puliafito was going to the bank.
