But you know, as well as being about stuff, novels etc are about — i. Jonathan Culler, an extremely lucid commentator and much admired in the field of literary theory, offers discerning insights into such theories as the nature of language and meaning, and whether literature is a form of self-expression or a method of appeal to an audience.

De Gruyter

While I eventually toiled to form a solid framework about these ideas, it was never quite as elegantly structured and argot-free as what Culler puts down here. The technologies around the Asthma Chemistry; this warns the sector recently more unconfirmed.
