### Ancient navies and vessels

Both Thônis-Heracleion and Canopus were wealthy in their day, and the temple was an important religious center.

### The History of Ships: Ancient Maritime World

And definitely, we are at all times amazed with all the wonderful tactics you give. Egyptians take the credit for developing advanced sailing cargo ships.

### What Powered the Vimana, the 6,000

Slowly, using creative instincts and ingenuity, man learnt to redesign the poles by flattening them and widening it at one end, and thus the paddle was designed to be used in deeper waters. Dating from 2657 BC, it was found sealed in a pit at the foot of the Great Pyramid at Giza in 1954.

### Ancient navies and vessels

No one should imagine that Ecuador's gang problem has vanished, and it would be facile to suggest that Mexico should simply import this program wholesale, applying it to criminal organizations that are very different than Ecuador's relatively small street gangs.
