Na H

Mon 9 Aug Highlands and Eilian Siar A mixture of sunny spells and showers, with some drier interludes is the general pattern expected through the start of this period, as unsettled, changeable conditions continue to dominate. Helped my dad with a lot of work. Make the web a more beautiful place.

A similar constituency, with the same name is used by the Scottish Parliament. Na h-Eileanan an Iar is the Scottish Gaelic for the Western Isles, which was the constituency's name prior to the 2005 general election. Some of these showery spells may merge to give slightly longer spells of rain, with some thunderstorms likely to develop from these.

A negative number indicates candidate s elected unopposed.

Pabbay (Na h

The top from one of their complimentary shampoo bottles was left behind bathroom door by previous guests, overlooked when room was cleaned. So the same ward may be shown more than once, but the electorate shown will reflect that ward sub-section. It was reported to the front desk that it would be better to do the room cleaning but did not come.

Na h

The front desk is fat! Maps are assembled and kept in a high resolution vector format throughout the entire process of their creation. When we left the front desk, we asked our check-in feeling very warmly.
