I found this to be an interesting book. Although this last aspect revolves more around the United States, the majority of the book deals with Canada, in particular the Ojibway of Canada West how Ontario. Written primarily for a non-Native audience, Copway viewed the book as an attempt to 'awaken a deeper feeling' toward the people of the First Nations.

## George Copway

Dust Jacket Condition: Very Good. Much more than a history, the work is an exploration of Ojibway culture through which Copway had sought to induce the British and American governments to greater efforts in improving their relationship with Native North Americans. U of North Carolina P, 2004.

## The traditional history and characteristic sketches of the Ojibway Nation (2001 edition)

Edited by link works Created by Imported from. Although, as one scholar has shown, Copway did have a tendency to spend more money on good causes than what was allotted to him by the Church, the disciplinary measures taken against him were extreme, especially considering the fact that embezzlement was not uncommon at the time, even among white preachers. In his autobiography, Copway describes his father of the Crane

tribe as a medicine man and chief 12 and his mother of the Eagle tribe as an active, sensible woman and a good hunter 15.

**The traditional history and characteristic sketches of the Ojibway nation : Copway, George, 1818**

George Copway entry by Lara Estlin, April 2018.
