### ... A check list of Utica imprints, 1799

The book is designed to awaken interest in this musician's contributions and to serve as a foundation upon which future studies of nineteenth-century American sacred music can build. Thomas Hastings 1784-1872 is generally remembered as a compiler and composer of hymn tunes and anthems, but rarely is he spoken of as a prolific writer of hymn texts.

Nor do many people refer to Hastings as an author, even though he penned several books and contributed numerous articles for newspapers and journals that were primarily, but not exclusively, related to his lifelong quest to reform the music used for Protestant services of worship. This book reproduces in facsimile both numbers, and presents new information about Kollmann's life and works.
