**Qur'anic studies today 9781138181953, 1138181951**

During the funeral ceremonies, religious scriptures are chanted to expiate the sins of the dead.

He concedes that section I perhaps can be explained as a gloss of idh qāla in C but argues that it is more likely an independent elaboration.

On the face of it, redaction criticism would seem to apply quite readily to the Qur'ān, which includes variant versions of similar narratives on many topics embedded in different suras that make different rhetorical points, and the punishment stories provide a number of apt examples for such an exercise.

Here are some attractions of this region: Star Valley: this place is an amazing phenomenon made up of erosion of sedimentary rocks. Enrico Norelli Milan: Paoline, 2005. They shall not reach thee; so set forth, thou with thy kin, in a watch of the night, and let not any one of you turn round, except thy wife; surely she shall be smitten by that which smites them.

**Nakhharar**

This potential has been handed through Jewish and Christian tradition, discovered and rediscovered, newly circumscribed, captured, and approached from interpreter to interpreter. It is the longest salty cave in the world with more than 6 km length. All this suggests that the ways in which the Qur'ān and the New Testament were produced may have been quite similar so that it is at least worthwhile comparing the corresponding historical processes of collection, compilation, redaction, and canonization.

For example, the prologue in Jerome, *Commentarius in Ionam prophetam*: *Kommentar zu dem Propheten Jona*, translated and introduced by Siegfried Risse Turnhout: Brepols, 2003. Paulus, Lukas, der Autor des Jakobusbriefs und natürlich des Hebräerbriefs lassen Wirkungen davon erkennen, nicht jedoch vieles, was wir sonst an frühchristlichen Schriften haben und was nach antiken Maßstäben keine Literatur gewesen wäre. Not only has the *sīra* yet to be read with literary criteria in mind, but the Qur'ān, to begin with, needs to be reread as a literary text.

### **Nakharar**

Meccan suras are understood as forming a continuum between two poles: one pole is constituted by short and rhythmic suras, the other pole by long, narrative suras. Those who rejected Shu'ayb were as though they had not been, those who rejected Shu'ayb were indeed lost. He is certainly not a tyrant *jabbār*, Q 50:45.

Similar variant traditions existed for most of the other exempla narrating the destruction of earlier nations in the Qur'ān. He omits an introduction and a conclusion to the work as a whole and also omits introductions and conclusions to the individual chapters.
