Reading, Writing and Ritualizing : Ritual in Fictive, Liturgical and Public Places by Ronald L. Grimes (Trade Paperback) for sale online

Rappaport does not ignore the potentially pathological or maladaptive features of ritual and religion.

Theological Autobiography

In my usage of terms I follow Grimes.

Presentations

Irish Economic and Social History. That said, while I knew it wasn't a Christian book going in, I didn't quite expect it to be so anti-Christian. Although this kōans script is relatively short, it may take months to develop an adequate performance.

Presentations

A kōan may be a psychological device or a literary tool, but it is also a play in precisely this sense. What follows is a crazed, surreal scene that ends with the tired, frustrated brothers piling back into the limo; then we are back in India. Victor Hori, for example, drawing on Austin, distinguishes between descriptive and performative language in arguing that kōans embrace both of these dimensions 305.

Breasts & the beestings: rethinking breast

Individuals in each distinct community were designated to preside at the Eucharist in the place of the bishop and a rite of ordination for such ministers was devised. It was a long gestation period. Psalms of the Jewish Liturgy.
