### NEA Nuclear Law Bulletin No. 66

More than 350 attendee coming from different aviation authorities, operators, manufacturers etc, were there to discuss the topics proposed by a complex agenda.

### TREATIES OF NIGERIA

Over the years, the OECD has examined the relationship between regional trade agreements and the multilateral trading system, including related to specific policy areas covered in RTA provisions, such as the treatment of agricultural issues, technical regulations, standards and conformity assessment procedures, investment provisions affecting the international transfer of technology, developments in the inclusion of environmental considerations and approaches to market openness in the digital age — to name a few.

### Bilateral, regional, and multilateral agreements relating to co

Jordan, Egypt, Morocco and Iran have sketched out ideas for the broad issues which the Forum would, in their view, need to focus on, leaving further refinement to the Director General. In response to these objections, the reprocessing plant has reportedly been closed down and the laboratory dismantled. Thus, the Director General has continued to stress the emphasis placed in successive IAEA General Conference resolutions and in those of other fora, on the importance of comprehensive IAEA safeguards on all nuclear activities in the Middle East region.

### Aplication of IAEA safeguards in the Middle East

New Development Partnership projects in heritage conservation in Vietnam F-block of Temple at My Son; Dong Duong Buddhist Monastery in Quang Nam and Nhan Cham Tower in Phu Yen. General Assembly approved a report submitted by the committee and adopted a resolution for the establishment of the United Nations Fund for science and technology for development within the United Nations Development Program UNDP following the termination of the United Nations Financing System for Science and Technology for Development at the end of December 1986.

Description: 543 pages ; 24 cm.

### **Application of IAEA safeguards in the Middle East**

Turkey is also being proposed for inclusion in this region. Section II Design Approval Procedures 2.

### **Nuclear Energy Agency (NEA)**

In particular, airlines were beginning to appear that served only leisure travellers. National Cancer Institute recently signed a Memorandum of Understanding to promote and conduct high-quality research to strengthen cancer prevention and control. To support the roles, missions, and capabilities the new guidelines will define, the Alliance is upgrading its forces using the latest cutting edge technology.
