Venetian

But now, thanks to a renewed interest in cicchetti, traditional Venetian delicacies and mouthwatering local dishes are stepping back into the spotlight and have started to be enjoyed again by Italians and foreign visitors alike. Castagnole are a very typical Venetian Carnival food and the recipe is really easy.

Frittella

For a taste of something really local, there are also white wines such as Orto di Venezia and Venissa.

Venetian or Palazzo in Las Vegas (How to Choose?)

Venetian Taste by Adam D. Built as a refuge against the invading Germanic tribes, Venice became a thriving centre of trade. Highly recommended for those with a sweet tooth! A living plant wall and bulls hidden in the decor make up some of the decor.

Use fresh green peas for this dish.

Venetian Style Italian Food

Fegato alla Veneziana Calf liver may be the main ingredient in the Fegato alla Veneziana, but do not be put off by this dish, for it wins over diners who are not fans of the liver.
