Grammar Test 1

When you start with JAG, your student focuses on parts of speech and understanding word functions in a sentence. Test your skills with the 20 questions below! This set is when your student learns more complex functions, possessives, infinitives, and kinds of clauses. Then, your student moves into JAGM, and this is when punctuation, capitalization, and proper verb tenses and uses.

Grammar Test 1

Students also use other symbols and arrows to show parts of speech in the sentence.
