Quest for Love (The Sisters of Rosefield #2) by Emma Easter

I highly recommend this Biblically based book to anyone over the age of 15. There were more details in their time together than I needed. If you haven't found your love yet, you may wonder why.

Quest for Love: True Stories of Passion... book by Elisabeth Elliot

QUEST FOR LOVE

This is also more of a sober read, because she addresses letters from individuals who have been burned in society's way of approaching love and are tentatively looking for other answers. This book is part of a series but can be a stand alone. I hadn't read the first book in the series, but I am looking forward to, I also can't wait for the 3 third book to come out.
