## Writing in Psychology Abstract and References

Do not underline the section heading OR put a colon at the end. Beverley East Riding County Council.

## Biological Abstracts

The paper affirms that Dostoevsky has had a profound influence on the geography of the Underground and that this literary topos has had an impact on the writers who continue to inhabit that space. Emerging pedagogical and organisational issues: impact of virtual learning communities in the workplace. If you have performed experiments at a particular location or lab because it is the only place to do it, or one of a few, then you should note that in your methods and identify the lab or facility.

## How to Write Guide: Sections of the Paper

When possible, please place symbol legends below the figure instead of to the side.
