At this date, this script is also characterised by hooks and flourishes.

Norway Handwriting • FamilySearch

The Gothic and Fraktur handwriting became the basis of most handwriting styles in Central Europe. This practice isn't necessary for common, easy to read words. In most record sources prior to 1915, Å å is written as Aa aa and filed at the beginning of the alphabet.

How to Write A Handwritten Legal Will

It has all the diagrams and tables of different classes of drugs. Note the diamond shapes at the end of the lines and, less clearly, at the foot of letters. Acknowledgments are made in the foreword to the second module, General Conversation.
