**Group cohesiveness, gang member  
prestige, and delinquency and violence  
in chicago, 1959**

Some factors operate before birth prenatal or close to, during, and shortly after birth perinatal ; some can be identified in early childhood; and other factors may not be evident until late childhood or during adolescence. Data collected between 1988 and 1991 indicated that of 107 participants in the program, only 6.

## Subcultural theory

By improving coordination among criminal justice agencies, developing partnerships with the community, and a no-nonsense approach to pulling every lever available to deter and incapacitate violent gang members, other communities may be able to replicate the success of Operation Ceasefire. Since a large majority of all adolescent males break the law at some point, such factors as neighborhood, race, and social class do not differentiate very well between those who do or do not commit occasional minor offenses Elliott and Ageton, 1980.

## Groups, gangs, and delinquency: Does organization matter?

Another aspect that requires discussion and research is programming for gang members within a correctional institution. The Changing Profile of the Federal Inmate Population: 1997 and 2002. If we now take all the sociological theories of juvenile delinquency together, it may be said that all sociologists have put emphasis on the environment, on social structures and on the learning process unlike the psychologists who consider the individual and his motivational patterns important in delinquency.

## Perceived Opportunities, Gang Membership, and Delinquency on JSTOR

Everything just going down the drain: Interviews with female delinquents in Hawaii. But for this exposure, they would have found their satisfaction in activities other than delinquency. Warr 1998 also found that offending decreased after marriage but attributed the decrease to a reduction in the time spent with peers and a reduction in the number of deviant peers following marriage rather than to increased attachment to conventional society

through marriage.
