### Farmworkers Condemn Lack of Protection and Economic Help During Pandemic

Municipalities were expected to care for their poor, and made a distinction between people who were old and unable to care for themselves and the able-bodied.

### Workers on organic farms are treated as poorly as their conventional counterparts

An outsider might be able to assess a situation objectively and offer useful advice and criticism to the insider. This is the best history ever written of the United Farm Workers UFW and Cesar Chavez.

### People and poverty

Although it has the potential of evolving into a trade union, it has retained its original form, which is similar to that of social movements. The first workers in the UFW were settled vineyard laborers and not migrants.

### Workers on organic farms are treated as poorly as their conventional counterparts

Oh, yes; very much so. Major funding for FRONTLINE is provided by the John D. It has even caused violent clashes between, multinational companies, indigenous peoples, and their governments.
