## Nordic gender equality policy

Since 2000, standards there have fallen more than in any other country ranked by the Organisation for Economic Co-operation and Development OECD using tests known as the Programme for International Student Assessment, or Pisa. You really need to put aside your ideological blinders here in order to get some basics down pat. However, it is also important to critically scrutinize the images of the new father.

## The Swedish Welfare System

This Very Short Introduction describes the modern welfare state, explaining its historical and contemporary significance and arguing that far from being 'a failure' or 'a problem', welfare states are an essential element of contemporary capitalism, and a vital concomitant of democratic government. Instead of fixed father quotas, the primary solution was attitude change, and since the mid-1970s numerous campaigns and other forms of opinion molding have been launched to persuade men to use their right to parental leave.

## 1 Equality of What? on Welfare, Goods, and Capabilities

Together with the welfare outcomes e. Sweden Democrats SD, a far-right party with a nationalist and anti-immigrant platform, crossed the thresholds for votes needed for parliamentary participation in 2010. In other words, the stability of a relatively autonomous state is a precondition for the political system to serve the interests of capitalists in the long run Skocpol.

## Challenges of Writing Opinion Pieces in Social Work: A National Online Survey of Swedish Social Workers' Experiences of Influencing Public Opinion

The only problem is that this is a complete fabrication. Especially in campaigns from the 1990s, the importance of complementary parental roles was stressed. The respondents also put forward several suggestions for possible proactive interventions that might facilitate the writing of opinion pieces.

## The Only Thing That's Curbed Inequality: Catastrophe

The aim is to further transparency and openness in humanitarian efforts and to inspire other institutions to increase their transparency and openness towards the public. Stockholm: Ministry of Industry, Employment and Communications.
