Суспільно-політичний розвиток України у 90-х роках XX — початку XXI ст. Um dieser Aufgabe nachzukommen, genügt es nicht, die Geschichte der Entwicklung seiner Laute und Formen und die syntaktischen Eigentümlichkeiten kennen zu lernen, eine nicht weniger interessante Seite ist auch das Leben, die Entlehnungen und das Aussterben des Wortschatzes. Die Synonyma der einheimischen Wörter; 11.
