### The Landing (2017)

Pasta was perfectly cooked and served with an abundance of grilled chicken. Top Landing Slope The maximum slope of the top landing is determined by the configuration of connecting accessible routes. The Current and Jacks Fork Rivers make up the Ozark National Scenic Riverways, one of the premier National Parks in the United States, and are beautiful crystal clear rivers offering outstanding scenic landscapes the entire year.

### The Landing Current River

This curb segment provides an orienting cue at crossings for people with vision impairments.

### Chapter 4: Ramps and Curb Ramps

In interviews conducted in 1998, on the 25th anniversary of the incident, witnesses and participants peel back the layers of mystery surrounding the events that nearly destroyed an America.

### THE LANDING

The Landing professionally outfits thousands of recreational floaters each year. Curb ramps at all other facilities are not required to have detectable warnings.
