Beau Sabreur by P C Wren

This time the focus is on Major de Beaujolais, who found the fort of dead soldiers in Beau Geste, his enlistment and years of service culminating in a great proposal to a local Emir.

Beau Sabreur by P C Wren

Dust jacket shows edge wear.

Beau Sabreur by P.C. Wren

The dialogue had me laughing out loud. Bumping of ends of spine. This volume contains the complete Beau Trilogy: BEAU GESTE; BEAU SABREUR and BEAU IDEAL, written by respected British writer P.

Beau Sabreur by P.C. Wren

I believe I enjoyed this one more than the first, perhaps because no movies have been made of it and it was new to me as a result. It was the first sequel to Beau Geste and was turned into a film in 1928.

Beau Sabreur By P.C. Wren 1927

I read Beau Jest a long time ago and, as I recall, really enjoyed it.

Beau Sabreur

I completely agree with the other reviewers who have given this story high marks. Bearing in mind that this is a novel written in the 1920s and some of the views on race and gender would be considered problematic today, I was pleased to find that Mary Vanbrugh is depicted as a courageous, independent and intelligent woman with a mind of her own although Maudie, who dreams of being carried off on horseback by a handsome Sheikh, is less so. The book's covers are lightly rubbed at the spine tips and have small bumps at the corners.
