## **Oltar Miraflores**

As with the disembodied text, the landscape segues across the panel to form a continuous whole. The Moreels did not at first get their wishes as to their burial places. The painter focuses on the central figure of Madonna making the other figures be turned to Madonna and Christ while looking at them.

## **Beaune Altarpiece**

Adding to the sense of harmony, both wing panels are identically composed, excepting the number of children. Brick in such works usually symbolise ruin, either of buildings or a dynasties, in this case given the inclusion of the Braque family crest, it can be assumed to serve as reminder to members of the latter. ## Moreel Triptych

The owned one made from gold.

### Subseries 8.3

The panel's detail is so densely packed, that according to Ridderbos it requires the Book of Revelations. La peinture dans les anciens Pays- Bas au XVI e siècle. It consists of five individual panel paintings: a central inner panel, and two double-sided wings.
