Agent Provocateur (album)

It's something that I think is really exciting for the brand. When activists are arrested for serious violations and a specious activist is identified, the defense may claim that those charged were entrapped — with the idea and resources for the action coming from the government agent. One extreme form of the latter is provocation.

Agent Provocateur Launches a Line of Everyday Basics

While history and broad social structural variables create contexts of constraint and possibility, the daily events of a social movement and its career path are very much dependent on the contingencies of interaction within movements and between movements and authorities.

Agents Provocateurs as a Type of Faux Activist—Gary T. Marx

The Paige bra was taken from the Nikita shapes; when I first started at AP in '98, it was a really famous bra called Nikita, which is a three-part cup. And the brand isn't completely abandoning its sexy roots: A few designs include suspenders or overt panty styles.

People were asking for it. The prosecution will counter claim that the agent was passive, simply going along with the intentions of those arrested. They may engage in a wide variety of actions — from seeking to damage a social movement to helping it or redirecting it away from illegal actions agents conformistes.
