**New England saints : Warren, Austin,  
1899**

This was particularly important because it shows that Cotton Mather had influence in mathematics during the time of Puritan New England. One of the most important intellectual figures in English-speaking colonial America, Mather is remembered today chiefly for his 1702 and other works of history, for his scientific contributions to plant and to the promotion of as a means of preventing and other infectious diseases, and for his involvement in the events surrounding the of 1692—3.
