The spine usually faces outward when a book is placed on a shelf. Many of the copies no longer have their original title pages according to the census in Harold H. And it is striking that Foxe specifically notes the significance of the red ink in the printing of at least some of the licenses.

## **Church of England**

Perhaps it would have played better at Shrovetide, when the Mardi Gras spirit and Lenten memento mori would have prevailed.

## **David a Siegenthaler**

On December 11, an abbot from Northampton drew their attention to a certain book commonly known as a Primer, in which there were questionable rubrics at the head of certain prayers. <sup>1</sup> We have noted that in 1538 other Testaments were published by Nicolson, Redman, and Gybson;. By bidding at auction you agree to be bound by these Conditions of Sale.
