Psychosis and spirituality: consolidating the new paradigm by Clarke, Isabel

Η σημερινή βιβλιογραφία διεθνώς μιλά για αποθρησκευοποιημένη πνευματικότητα, ως αμιγώς ψυχολογική διαδικασία, ως έκπτωση των δυνατοτήτων του ανθρωπίνου πνεύματος. They both have mental illness.

Psychosis and spirituality : exploring the new frontier (Book, 2001) [tech.radiozamaneh.com]

People messing with me and everything, beating me up. I see some mental illness with her and everything. Experiencing trauma has been shown to increase the likelihood of verbal hallucination fivefold.

Psychosis and Spirituality: Consolidating the New Paradigm / Edition 2 by Isabel Clarke

Στη συνέχεια χρειάζεται και μια προσωπικότητα χαρακτήρας που να αναζητά την εμπειρία και να την ερμηνεύει με τρόπο συμβατό με αιρέσεις και σέκτες. Εκείνο που ακούγεται ενδιαφέρον στο σημείο αυτό είναι ότι παρόμοιες έντονες, σχεδόν «μυστικές» εμπειρίες, αναφέρουν ασθενείς με επιληψία του δεξιού κροταφικού λοβού όταν συνοδεύεται από ψυχική προειδοποιητική αύρα. The connection between them is evident — what is remarkable is how conventional thinking obscures the connection.

Is It Psychosis or a Spiritual Emergency?

This book is generally written at an accessible level, and draws on much useful recent research in this area. I was doing some research online someday when I came across testimonies of some people of how DR ADIGBA cured them from herpes, I never believed at first and thought it was a joke but later decided to contact him on the details provided and when I messaged him we talked and he sent me his herbal medicine and told me to go for a test after two weeks.

The Neurophysiology of Religious Experience Peter Fenwick. My mother put me in the hospital kind of like my dad. Thanks once again Dr Iyoha for making me a happy woman again.
