Despite British disapproval, the clandestine settlement continued, though without the

benefit of schools and essential services. Following the during the early 1990s, the province suffered record unemployment rates and the population decreased by roughly 60,000. Sir , provided with from , landed in St.

## Newfoundland Gold

From 'The First Booke of Qvodlibets ' Composed and done at Harbor-Grace in Britaniola, anciently called Newfound-Land by Governor — 1628.

## Newfoundland and Labrador

Take advantage of our lowest rates on airfare and have leftover money to spare on your travel. On September 26, 1907, King Edward VII of the United Kingdom declared the Colony of Newfoundland, as an independent Dominion within the British Empire, and from that point until 1965, the Newfoundland Red Ensign was used as the civil ensign of the with the Blue Ensign, again, reserved for government shipping identification. Typically, in Newfoundland now use Acadian French rather than the Newfoundland dialect, though a small number of families still speak a strongly inflected hybrid dialect.

## Newfoundland Gold

Photograph of an artist sketching St. Unlike other groups in the Northeastern area of the Americas, the Beothuk never established sustained trading relations with European settlers. It is the only known site of a Norse village in North America outside of Greenland, and is designated as a.

Exploration for new reserves is ongoing. This is also the world's second-largest Leach's storm-petrel colony, consisting of more than 620,000 pairs that nest here, and you will almost certainly see some of the thousands of black-legged kittiwakes and common murre that spend the summer here.
