By removing from one to the other they avoided detection, though they had many narrow escapes.

46800652

The profits were said to be worth as much as 50 a year and in 1752 were still worth over 35 in spite of the decline of the popularity of the Bicester market. ENTRANCE PORCH, HUDDINGTON COURT Two other houses may be mentioned in connection with the memorable Plot—houses that were rented by the conspirators as convenient places of rendezvous an account of their hiding-places and masked exits for escape. One of them stood in the vicinity of the Strand, in the fields behind St.

The survey's mention of 'Oldfield' suggests that the ancient two-field system had undergone some reorganization, but a Bignell extent of 1361 describes the demesne arable as half sown and half fallow, and so indicates that there was still a simple two-course rotation.

## **historic home**

It is recorded, to James II.

## **Brian Bond — Wikipedia Republished // WIKI 2**

He leased his land to eleven tenants. The priory, indeed, may have been inclosing because of the difficulty of finding tenants: in 1345 vacant land was being leased for 23 s. By 1446 Bignell had been acquired by John Stokes, but as he and his wife Alice had no surviving children they arranged in 1465 that after their deaths Bignell should pass to William Staveley, John's friend and, like him, a trusted servant of Edward IV.
